IT CARRIES AN UNMISTAKABLE AIR OF ELECTRICITY.
The all new 2014 ELR

The technological centerpiece of the all new ELR is an advanced electric drive system that features an onboard generator powered by gas that helps provide you with unlimited travel opportunities.

THE NEXT GENERATION 2015 CADILLAC ESCALADE

Introducing the next-generation 2015 Escalade. A crown jewel of Cadillac, cut and crafted to form. The epitome of interior, exterior and performance artistry. All monumental standards aimed at keeping it on the pedestal it so richly deserves.

In showrooms early Spring 2014.
